CASA DEL MARE
BOUTIQUE HOTELS

Being able to show Boka Bay to people from all over the world, is a privilege and obligation. In all we do architecturally and brand-wise, our premise is to preserve the environment we operate in and embed our needs and aims in those of the Bay.

We hope to have the chance to greet you at one of our hotels.

When we opened our first Casa del Mare hotel in 2009, our wish as a young couple was to share our place with the world. We were young, great enthusiasts and overwhelmed by personal motivation to build something together that will show everybody the beauty of our country and provide a place for encounter in Boka Bay.

Casa del Mare has always been more than a family business to us; it has been a home to most important events in our lives, a place where we met our friends, spent time with our children and family, and whose warmth we have always very much enjoyed throughout years.

Ten years, three kids and numerous hotels later, we grew together, we have gained valuable experience, but remained enthusiastic and motivated about our work and life at Casa del Mare boutique hotels.
